

Guilford College's Bryan Series is the region's leading public speaker forum, presenting five subscription programs each year featuring distinguished speakers in the arts, humanities and public affairs. The series was established by a \$1 million gift in 1994 from trustee Joseph M. Bryan Jr. '60 and the former Kathleen Price Bryan Family Fund. In October 2011, Joe made a \$1.5 million gift to the Advancing Excellence campaign to strengthen the endowment for the series. Today, the series is supported by the Bryan endowed fund, along with 1,234 subscribers and Legacy Society members and 13 corporate partners.
