

GUILFORD COLLEGE

Resolution

To: President Kyle Farmbry

From: Board of Trustees

Date: Oct 29, 2023

The Board of Trustees enthusiastically endorses the bold strategic plan as presented in the draft document “Envisioning Guilford College 2027” dated Oct 16, 2023, with its supporting materials. We recognize the dynamic nature of this work and that these documents are works in progress that may require further elaboration or modification. The Board acknowledges and appreciates the significant effort, creativity, and thought that have gone into the plan’s design and preparation. We also wish to affirm the strong leadership of President Kyle Farmbry in bringing together the contributions of diverse campus constituents. The Board commits to continuing our collaboration with President Farmbry and senior leadership to ensure appropriate alignment between implementation of the strategic plan, the budget, and shaping a shared vision for transformation at Guilford College.
